ORDER

Joint status report, *Doc. 218*, noted. Embedded motion for extension granted as modified. Motion to dismiss or stipulation of dismissal due by 29 September 2022. The fallback plan and briefing

schedule, *Doc. 217*, remains unchanged—though the better alternative will be to dismiss and retain jurisdiction, given that the parties have a deal and agreed documents and are simply having difficulty getting some signatures because it's harvest time. The Court plans to retain jurisdiction to enforce the parties' settlement and to address the sealing issues. Motion on the sealing issues due by 29 September 2022, too. No hearing is needed on any pending issue.

So Ordered.
